

104 Sig Sqn National Reunion 2011
4th to 6th Nov 2011 at Twin Towns Services Club, Tweed Heads

Welcome from the Committee

After five years since the last reunion and lots of planning by your committee, here we are all again, enjoying each other's company, telling a few stories (from days long gone but never forgotten) and having a cold one or two. It's also great to have the company of our wives, partners, friends and other Signal Veterans.

In 5 years (2015/16), 104 Sig Sqn will celebrate 50 years of service since being raised in November 1965. At the lunch on Sunday we need to work out arrangements for our next 104 Sig Sqn Reunion, maybe in 5 years for the unit's 50th Anniversary, appoint a committee, location, etc, and how we maintain contact with each other. We look forward to your suggestions.

Final program details are below. **Please wear your name tag to all functions, as this is your entry ticket.** On the rear is your lucky door number. Framed prints of the painting by Ken McFadyen "Signals in Vietnam 1965 – 1972" will be the lucky door prize at each function. The prints were donated by Don James (2IC, 104 Sig Sqn, SVN 67/68).

Finally if you have special dietary requirements, just tell the staff and they will ensure you are looked after.

Please enjoy yourself and if the committee can help, just ask or ring Ebony Switchboard 0419-334535.

Denis Hare, John Bertini, Don Sutherland and Peter Thorne

Reunion Dress Code

Minimum dress for all functions as per Twin Town Services Club normal rules - Neat and Casual. Medals for memorial service on Sunday please.

104 Signal Squadron History Overview

104 Sig Sqn was raised in Nov 1965 and its first OC, Lt Col Ian Godden (Retd) is at this reunion.

In 1967, 104 Sig Sqn assumed control of Task Force (Brigade) Communications in South Vietnam, completing its tour in late 1971. The unit has been based at Wacol, Ingleburn, Holsworthy and is now in the Darwin area, at Palmerston.

104 Sig Sqn held their last parade in Holsworthy on 22nd October 1996 before moving to Darwin and became fully operational in early 1997.

104 Sig Sqn was absorbed into the 1st Command Support Unit (CSU), and renamed 'A Sqn' on 1st Jan 1998. 1 CSU was a combination of 104 Sig Sqn, HQ Coy 1 Bde, 7th Intelligence Company, 72 EW Sqn and 11 MP Pl. The unit was formed as a part the Restructuring of the Army (RTA) trials. When the 1st Command Support Unit became the 1st Command Support Regiment, 104 Sig Sqn was re-born on 18th May 2001 as part of 1 CSR. The 1st Command Support Regiment has since been renamed 1st Combat Signal Regiment but is still based on the CSU concept however the Intelligence and Military Police capabilities are no longer part of the unit structure.

104 Sig Sqn, 1CSR is located at Robertson Barracks, Palmerston, NT (near Darwin).

Our memorial rock with the names of our war dead has been relocated from Holsworthy to Palmerston. See http://www.au104.org/Veteran_Stories/vetstory16.html for details. The Regiment's training room is called the "Alex Young Training Room" and the boozier is named "The Abraham Club" after the two unit members, KIA in Vietnam. **Lest we forget.**

Since Vietnam, 104 Sig Sqn has deployed on Operation Anode in the Solomon Islands (see <http://1csr.au104.org/Stories/Story-2.htm>) and on Operation Slipper in Afghanistan, as part of the Force Communication Unit 1 (FCU-1). See <http://1csr.au104.org/Stories/Story-4.htm>. Many of its current members have served in Timor and on other operations.

The current OC, 104 Sig Sqn, Major Brenden Mutch is at the reunion and is our guest speaker on Saturday night. Brenden has just completed a tour of duty in Afghanistan as the OC Afghanistan Signal Squadron.

104 Sig Sqn National Reunion 2011

4th to 6th Nov 2011 at Twin Towns Services Club, Tweed Heads

104 Signal Squadron Web Site

104 Sig Sqn has its own privately funded web site at www.au104.org (or www.au104.com) and features many stories and photos from our service in Vietnam plus what 104 Sig Sqn is doing now <http://1csr.au104.org/>. After the reunion it will feature photos from this reunion (already have photos from past reunions). See <http://www.au104.org/Reunion/index.htm> If you can help preserve our history with photos, slides, story, etc please contact the webmaster (Denis Hare) at dhare@au104.org.

This site also has an auto update form, if your address or contact details change. Please use the form so we can keep you updated with the next reunion details and other info. See <http://www.au104.org/Reunion/details.htm>

The details provided help put 104 veterans in touch with each other. This has been a real bonus when doing pension claims or just trying to locate a lost mate. So just complete the form when you have a change of address, email, etc.

We get a number of requests from family members looking for photos and information on veterans who sadly sometimes have passed to the big set room above. Two such requests in the month of October as follows:

1. **John McCaskill**, Served in Vietnam with 104 Sig Sqn May 67 to Oct 68. After Vietnam John joined the RAF and served in Cyprus during the conflict. He had a heart attack driving home from the RAF base in Lyneham, UK and died on the 19 Sept 1990. Daughter looking for details of his service in Vietnam and some photos.
- 2 **Lt Bevan Turner**, Served in Vietnam with 104 Sig Sqn Nov 69 to Oct 70. After Vietnam appears to have dropped out and lost contact with family. He died near Nimbin, NSW on the 3 Jan 2002. Daughter looking for details of his service in Vietnam and some photos.

If you have any information or photos on the two deceased veterans above, contact Denis Hare.

Signals Vietnam Veterans Association (SVVA), Queensland

Many thanks to **SVVA Qld members** for the support with setting up and running this reunion. A special thankyou goes to the SVVA Merchandising Officer, **Allan "Lurch" Adams** for all the work sourcing and then selling Signals merchandising at the reunion.

If you would like to join **SVVA Qld**, contact the reunion committee for details.

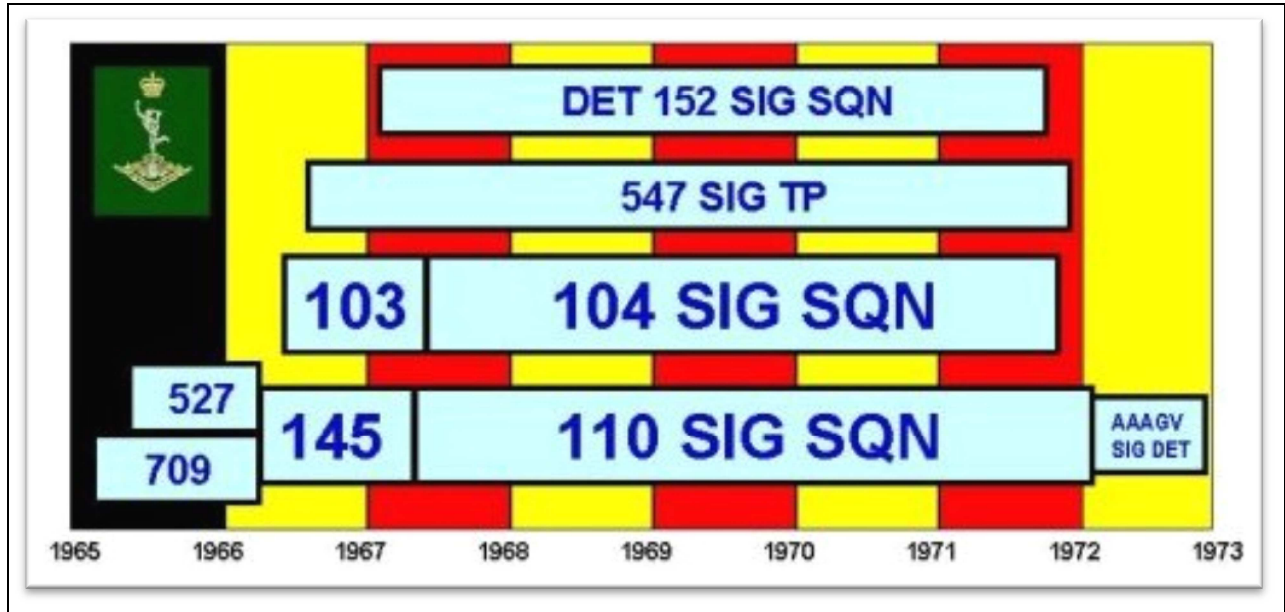

Vietnam Signals Overview

Reprinted from the SVVA Qld Newsletter "Certa Cito" January 2011

We get a number of enquiries and confusion from Signals Veterans on which unit they served with in Vietnam. The confusion comes from the fact that the Royal Australian Corps of Signals (Signals) was using the "Brick System" for Force Signals. In many cases, Soldiers were posted to a Troop which was under the Administration and Operational control of a Squadron. Unfortunately the records only reflect the Troop not the Squadron and therefore some books and the Vietnam Veteran Roll don't reflect the Signals units correctly. Signal units in Vietnam with Administration and Operational Command, are detailed as follows:

104 Sig Sqn National Reunion 2011

4th to 6th Nov 2011 at Twin Towns Services Club, Tweed Heads

Signals

709 Signal Troop (Composite including Heavy Radio, Med Radio and Sigcen)

“First Signals Unit in Vietnam”

(Self-contained from 25 May 1965 until absorbed into 145 Signal Squadron)

527 Signal Troop (Additional Signals manpower)

From 14 September 1965 and under command of 709 Sig Troop until absorbed into 145 Signal Squadron

Australian Army Assistant Group Vietnam (AAAGV) Signal Detachment

“Last Signals in Vietnam”

(12 March 1972 - December 1972)

Force Signals

145 Signal Squadron

The first elements of the Squadron arrived in South Vietnam, 1st April 1966. The unit was formed on the “brick” system and had a headquarters and a number of Signal Troops as follows:

- 506 Signal Troop (Med Radio Relay)
- 520 Signal Troop (Tech Maint)
- 552 Signal Troop (Light Sigcen)
- 581 Signal Troop (Med Sigcen)

Plus 527 Signal Troop and 709 Signal Troop were absorbed into the Squadron structure.

110 Signal Squadron

2 March 1967 - 12 March 1972, replaced 145 Signal Squadron with the following Troops:

- 503 Signal Troop (Med Sigcen)
- 532 Signal Troop (Med Radio)
- 557 Signal Troop (Tech Maint)
- 561 Signal Troop (Light Sigcen)
- 704 Signal Troop (Med Radio Relay)
- 709 Signal Troop (Base Comms Sig)

Individual replacements into 110 Signal Squadron became the norm after 1967 effectively replacing the “brick” system.

104 Sig Sqn National Reunion 2011

4th to 6th Nov 2011 at Twin Towns Services Club, Tweed Heads

Special Signals

547 Signal Troop

Electronic Warfare (EW) from 1 April 1966 - 23 December 1971

Det 152 Signal Squadron

Special Air Service (SAS) from 31 August 1966 - 15 October 1971

Det 127 Signal Squadron

Members worked on fixed communication installation tasks but were normally detached to HQ AFV or Force Signals for temp duty in Vietnam.

Task Force Signals

103 Signal Squadron

April 1966 - July 1967

104 Signal Squadron

March 1967 - December 1971 replacing 103 Signal Squadron

Individual replacements into 104 Signal Squadron became the norm after 1967.

Note: A number of 145 Signal Squadron members served with 103 Signal Squadron and deployed with them on operations. Up to forty members of 110 Signal Squadron served with 104 Signal Squadron at any given time, with some deployed on operations also.

Other Signals

Signals members also served with the Australian Army Training Team Vietnam (AATTV), on Small Ships (Engineers) and in Headquarter roles.

RASigs Reunion South Australia 2013

Currently being planned for Oct/Nov 2013

We are still in early preparation for the Reunion Oct/Nov 2013. The Reunion is going to be held in the beautiful Barossa Valley - a very special place within South Australia. We are going to put up on the website shortly a page for Expressions of Interest so we can gauge how many might come along. There will be no obligation but hopefully people will only put their names up if they believe at this time they will be able to make it. We will be trying to arrange travel prices, accommodation packages and numerous other items as soon as we can. Along with the page for Expressions of Interest we hope to have a page with updates on what we have arranged in the way of events and packages. As you can imagine 2 years out not many businesses are willing to give us pricing at this stage. In general the Barossa has lots to offer any visitor and we intend to make it a very special event for all those who come along. Sorry I can't give you exact dates as yet but we need to get a little closer to make sure we don't get caught going there when another major event is on as it would be difficult to arrange accommodation etc. The Barossa is approximately one and half hours from the Adelaide airport. One of the things we will be doing is arranging for buses etc for transport to and from the airport should people come that way. Hope to update further as we get closer.
